Case No. 2:25mj 123

**AFFIDAVIT IN SUPPORT OF AN APPLICATION FOR CRIMINAL COMPLAINT**

I, Adrienne Drummond, being duly sworn, do hereby state the following is true to the best of my knowledge and belief:

**INTRODUCTION AND AGENT BACKGROUND**

1. I am a Special Agent with the Naval Criminal Investigative Service (NCIS). As such, I am an “investigative or law enforcement officer of the United States” within the meaning of 18 U.S.C. § 2510(7). That is, I am an officer of the United States, who is empowered by law to conduct investigations regarding violations of United States law, to execute warrants issued under the authority of the United States, and to make arrests of the offenses enumerated in 18 U.S.C. § 2252 *et seq.*

2. I am a Special Agent with the Naval Criminal Investigative Service (NCIS), assigned to the NCIS Resident Agency (NCISRA), Oceana, VA, and have been employed with NCIS since January 2023. I have attended and successfully completed the NCIS Special Agent Basic Training Integrated Program (SABTI) at the Federal Law Enforcement Training Center (FLETC) in Glynco, GA. I am authorized to conduct investigations for offenses enumerated in Title 18 of the United States Code and Title 10 of the United States Code, also known as the Uniform Code of Military Justice (UCMJ), which affect the Department of the Defense,

specifically the United States Navy and Marine Corps. My duties include, but are not limited to, investigating crimes committed by or against Navy and Marine Corps military personnel, civilian employees, or otherwise involving Department of the Navy assets, personnel, or facilities. Prior to my current position with NCIS, I worked as Crime Scene Technician for the High Point Police Department in High Point, N.C., from January 2018 to September 2021 and as a Firearms Examiner-Trainee for the Virginia Department of Forensic Science from October 2021 to July 2022. I graduated from Villanova University with a Bachelor's Degree in Criminal Justice. I received a Master's Degree in Conflict Management and Resolution with a concentration in National and International Security from the University of North Carolina at Wilmington. I also received a Master's Certificate in Forensic Science from George Mason University in Fairfax, VA.

3. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that certain violations of Title 18, United States Code, §§ 2252(a)(2) and (a)(4)(B) (receipt, distribution, and possession of child sexual abuse material ("CSAM")), have been committed by RYAN MATTHEW STASKYWICZ.

4. The information set forth in this affidavit is known to me as a result of an investigation personally conducted by me and other law enforcement agents. Thus, the statements in this affidavit are based in part on information provided by Special Agents ("SAs") and other employees of NCIS, as well as other investigators employed by federal or state governments. I have participated in investigations involving persons who collect and distribute child pornography, and the importation and distribution of materials relating to the sexual exploitation of children. I have received training in the areas of child exploitation, and I have reviewed images and videos of child pornography in a wide variety of media forms, including computer media. I have also discussed and reviewed these materials with other law enforcement officers. In the course of my

employment as a sworn law enforcement officer and Crime Scene Technician, I have participated in the execution of numerous search warrants resulting in the seizure of computers, magnetic storage media for computers, other electronic media, and other items evidencing violations of state and federal laws, including various sections involving child exploitation offenses.

**Pertinent Federal Criminal Statutes**

5. This investigation concerns alleged violations of Title 18, United States Code, §2252(a)(2) and §2252(a)(4)(B), relating to material involving the sexual exploitation of minors. Title 18, United States Code, §§ 2252(a)(2) and (a)(4)(B) make it a federal criminal offense to knowingly receive or distribute, or possess, respectively, any child sexual abuse material or materials that contains child sexual abuse material that has been mailed, or using any means or facility of interstate or foreign commerce shipped or transported in or affecting interstate or foreign commerce by any means, including by computer.
